COYE ROAD TANK REPAIRS AND PAINTING

TANK IS BACK IN SERVICE

The Onondaga County Water Authority (OCWA) has completed repairs and recoating of the interior and exterior of the Coye Road Water Storage tank located on Coye Road in the Town of Lafayette.

The tank has been refilled and the water tested. All water quality parameters meet drinking water standards. The tank is now back in service. The repair contractor will complete some minor items and restoration work over the next month, but otherwise the project is complete.
