

WELCOME TO THE OCWA FAMILY

The cooperative project between the Town of Constantia, their contractor and the Onondaga County Water Authority will be coming online soon.

****PORTIONS****

OF THE SYSTEM ARE APPROVED FOR WATER CONSUMPTION
(CONNECTION OF YOUR HOUSE TO THE NEW WATER MAIN)

If your address is still "NO" below, at this point, do NOT allow your contractor to disconnect your well from your dwelling.

Water CAN NOT be used from portions of the newly installed water mains at this time for health and other reasons.

Please check back here for information on when you can call OCWA's Customer Service Department (315-455-7061, ext. 3335). Once your area of the system is approved, you can make an appointment for meter installation.

The streets in the system are listed below, when the system is approved by the Oswego County Department of Health and accepted by OCWA, your street's status will change from "NO" to "YES" and a date will be added.
