

**Route 11 North/Fuller Rd Phase E Water District Update as of 1/20/2022**

The cooperative project between the Town of Hastings, their contractors and OCWA is coming online incrementally. We appreciate your patience with this on-going process.

**AT THIS POINT, DO NOT ALLOW YOUR CONTRACTOR TO DISCONNECT YOUR WELL FROM YOUR DWELLING UNLESS YOUR ADDRESS IS RELEASED FOR A METER INSTALLATION APPOINTMENT.**

**IF YOUR STREET/HOUSE NUMBER ARE NOT RELEASED, WATER CANNOT BE USED FROM NEWLY INSTALLED WATER MAINS AT THIS TIME.**

The streets in the system are listed below.

\*affected by CSX crossing.

**\*\*TEMPORARY LOW PRESSURE—Any street designated as “Temporary Low Pressure” will ultimately be served from the new Mallory water tank, which is anticipated to be placed in service Spring/Summer of 2022. Customers who connect to the water system in these areas WILL see DECREASED water pressure until the new tank is in service. It may be advisable to remain on your current well service until that time.**

**Please check back here regularly for updates.** When sections are accepted, you can call our Customer Service Department at 315-455-7061 ext. 3335, to schedule an appointment with our Meter Installation Department to install your meter and turn on your water.

Thank you for your patience in this process.
